INDUSTRIAL SURVEY PROPOSED FOR DEVELOPMENT OF CAMERON

Chautauqua, Baseball and Bargains For First Monday

CONSTRUCTIVE PLAN OF WORK ENDORSED BY CHAMBER HERE

COMMITTEE OF FIVE WILL
WORK OUT PROGRESS PLAN
FOR COMING YEAR.

What is pronounced the most constructive program for the development of Cameron and trade territory ever undertaken here has been approved by the Commercial Club as outlined in a formal talk by T. S. Henderson, Jr., director of the club, at the meeting Friday night.

Mr. Henderson addressed the club by invitation and outlined the possibilities of the territory. A committee of five business men authorized by action of the club will conduct a survey of the city and territory in line with the program suggested by Mr. Henderson.

President C. W. Lawrence of the club has not appointed all the committee, but it is known that at least two have been definitely selected to perform this industrial service to the city.

The program as adopted by the club and as presented by Mr. Henderson is conservative, yet comprehending in its scope phenomenal industrial possibilities. The program as presented is unique in commercial club history and probably never before undertaken in just this way by any city.

Business men who have given thought to the program and those who spoke briefly in its behalf believe Mr. Henderson has not submitted a single impracticability in the plan for exploiting the industrial and agricultural possibilities.

In brief the plan is to make a survey of the city and the trade territory with the view of ascertaining what are the industrial and agricultural possibilities. Particular stress has been placed upon the need for increased agricultural production the approach to which lies in analyzing the soils and to produce in accordance with the adaptability of the soils as many profitable crops as farms from cotton and corn as the farms will sustain. In this way, as outlined by Mr. Henderson the one crop system can be overcome, an argument put forth by the best agricultural authorities for the past two decades.

A city depending upon the one crop system very often finds it hard to profit and as emphasized by Mr. Henderson will never grow beyond its present size. Such aid as may be given to the city by reason of an encouraged and diversified agricultural production is easily achieved through the application of the survey system and the actual raising of profitable by-crop products.

As Mr. Henderson said, practically all the farm lands now available for tilling have been brought under the plow in the territory so that if the soils are to be made to yield more wealth production must be increased either by improving the soil for the one crop system or by finding their (continued on page four.)

YOE BUSTS ARRIVE WILL BE MOUNTED AT HIGH SCHOOL

MARK OF APPRECIATION FOR
CITY STILL SHORT \$1000
ON PAYMENTS.

The bronze busts purchased by the Cameron Commercial Club from Copinni of Chicago for the Yoe High school in honor of Mr. and Mrs. C. H. Yoe are in the local express office with \$1000 due the sculptor.

F. S. Lesovsky who has in charge the subscription lists for the money for these busts will shortly make a canvas for the amount due. A considerable sum has been paid on this work.

Mr. and Mrs. C. H. Yoe gave to Cameron the Yoe High school building declared to be one of the most modern of its size in Texas, thereby relieving the congested condition of the schools and erecting an enduring monument to their citizenship.

Response to efforts to erect these busts has not been as liberal as necessary but it is believed the citizens will subscribe the remainder of the fund.

The city owes a great debt to the late Mr. and Mrs. C. H. Yoe for their gift to the city and should immediately redeem the effort made to erect the busts.

If this building had not been given to the city it would have been necessary to vote bonds in the sum of approximately \$200,000 to build the school. The city owes it to the memory of these benefactors to erect these busts and in this small way attest the appreciation held by citizens for this gift.

If there are those who have not helped in this worthy work their duty is imperative and their aid at this time will be greatly appreciated by the club and those in charge of the work.

MEMORIAL DAY TO BE OBSERVED HERE

LEGION TO PLACE FLOWERS ON
GRAVES OF WAR DEAD
MAY 30.

Cameron's business houses will be asked to close Wednesday, May 30, between 10 and 11 a. m. in commemoration of the men who lost their lives in the world war, the occasion being Memorial Day. Appropriate exercises will be held on the court house lawn, participated in by veterans of all American wars. The day is set aside as a legal holiday by Congress. The banks and post office will be closed.

The local post of the American Legion will place flowers upon the graves of every Milam county world war veteran who is buried in this county. The ladies of the town will be asked to give flowers for this purpose.

An excellent speaking program will be rendered. Lives of nine of the boys who died will be eulogized in an address by Mrs. Jeff T. Kemp. Other speakers on the program include Hon. T. S. Henderson and Hon. W. G. Gillis.

All ex-service men, particularly, and everyone else are asked to be present on the court house lawn at 10 o'clock Wednesday for this service, according to Commander A. F. Mitchell.

HIGHWAY REPORT.

Thursday May 24, 11:00 a. m. The highways are very bad in the northeastern portion of the State and many detours are necessary. The West was more fortunate and traveling in that section will be good. Near El Paso our California tourists will have about twenty odd miles of plank road to cross. You can make 30 miles an hour on it, but if you get off the plank, you will have to have help to get back on, this however, is not bad, as plenty of cars will be along the road to help you.

San Antonio via Little River station is the best route. Caldwell via Milam is practically impassable and it is advisable to go via Rockdale, Lexington and Guy's store in to Caldwell.

All other highways are fair to good.

Waco via Rosebud can be reached only via Chilton-Mooreville.

SWIMMING!

The natatorium will open for the season, next Monday, May 28, according to P. O. Adams.

The pool and dressing rooms are being put in order this week. A big crowd is expected for the opening night. Plenty of fresh water and lots of fun promised.

BASEBALL SEASON WILL OPEN FRIDAY JUNE 1 IN CAMERON

NECULES OF COMETS ARRIVE
AND MANAGER ROGERS
PROMISES CHAMPIONS

Friday afternoon June 1 at 4 o'clock at Green Athletic Field the Cameron Comets, sensation of the 1922 season will open the 1923 season with Beaumont of the Texas League.

Manager Wm. R. Rogers was keeping the wires hot Thursday in an effort to round in his men for the opening date. The club will be assembled several days in advance of the game to give a short practice period before the empire calls for action.

In many respects the club this year promises to be better than the 1922 club. So far not a single man that figured in the 1922 deal will wear a Comet uniform. Most of them have stepped up to a bigger show and some have retired to the ranks.

Eddie Copeland in from the west has his hat in the ring for back stop honors and Manager Rogers has promised him a try with the club. The salary limit is higher this year due to the big demand for players. Buggs Morris, the shortstop for the Farmers has not answered Manager Rogers on a flattering offer and the short-field position is not yet filled to his liking.

Ray Falk who quit as manager of Waco in the Texas association will play second. George Johnson will go in the field along with John Frieron of the Texas-Oklahoma league. Dick Brewer will play first base. H. Crump and Frog Lovvorn and Horace Runnels of S. M. U. will report on June 10. Traylor of Milano will try out for catch. Ray Binge of the Southwestern Normal and Killena of the San Marcos Normal will make up a section of the pitching staff.

The athletic field which was given to the city by A. N. Green is being improved this week. It will be fenced all around. A new grand stand will be built in addition to the stand now up and all who enter will go to the stands except a limited space will be reserved for cars to park.

The business houses of Cameron should close Friday afternoon for the opening game and support the local club.

TELEPHONE MANAGER HERE.

J. A. Williams of Fort Worth, district manager of the Southwestern Bell Telephone Company was in Cameron Monday to visit with manager Ferguson of the local exchange and to meet the business men. Mr. Williams finds the exchange in splendid condition and the people here well pleased with the service they are receiving through the local exchange.

The company last year completed the installation of additional cable and all service demands are being met.

GUY TIDWELL DIES SUDDENLY AT HOME IN GAUSE SUNDAY

KLANSMEN PLACE CROSS ON
GRAVE OF FORMER OFFICIAL
OF GAUSE KLAN.

Guy Tidwell, citizen and merchant of Gause, died at his home in that city between 11 and 12 o'clock Monday night, May 21. Mr. Tidwell had not been in good health for some time and had been to Cameron Monday afternoon to consult a doctor. His physician advised him to go at once to Galveston for treatment but the summons came too late for this advice could be followed.

Mr. Tidwell was born in Franklinville, near Gause, 38 years ago. He was the oldest son of Mr. and Mrs. John Tidwell, old settlers in that section. The family moved to Gause and later to Waco where the subject of this sketch received his education.

He was married in 1914 to Miss Gladys Patridge, who with one little daughter, Helen June, survives him. At the time of his death, he was manager, and also a partner, of the Gause Lumber Company, a position he had held for some time.

His mother and one brother, a prominent citizen of Waco, also survive him.

Mr. Tidwell was a prosperous business man and a good citizen. He will be greatly missed by his town and community.

A number of Cameron business men attended the funeral which was held Wednesday afternoon.

The funeral was held with services in the Baptist church of which deceased was a member. After the church service the procession was made to the cemetery with Henge & Meyer undertaking establishment of Cameron in charge of the funeral.

After the grave had been filled O. D. Baker, friend of the deceased and member of the Legislature from this district, delivered an oration over the grave of his departed friend.

At the conclusion of his address six robed Klansmen bearing a huge four foot cross of red flowers filed to the grave and standing three on each side of the grave, the cross of flowers was placed on the mound. The cross bore a white ribbon with letters of gold K. K. K. After the cross of flowers was placed on the grave the Klansmen knelt and prayed and on rising to their feet gave the sign of the fiery cross and left immediately, entered an automobile and disappeared.

JAMES L. MUSE.

James L. Muse, a resident of Milam county for fifteen years, died at his home in Cameron Sunday night at 9:30 o'clock. He was buried Monday afternoon at 3:30 o'clock at the Sharp Cemetery. Rev. H. R. MacFadyen, pastor of the Presbyterian church conducted the funeral service at the residence.

Mr. Muse came to Milam from Washington county. He was well known as he had lived in different sections of the county before moving to Cameron about two years ago. He is survived by his wife and five children: Mrs. Ben Cass of Hanover, being the oldest. Three sons and one daughter, John, Eugene, Ernest and Miss Irma, live in Cameron. The Herald joins with other friends in extending sympathy.

WEATHER REPORT.

Thursday May 24, 11:00 a. m. Dallas and Vicinity—Tonight and Friday partly cloudy to cloudy and somewhat unsettled weather, slightly cooler tonight with minimum temperature 60 to 66 degrees.

Light to moderate variable winds. East Texas (Cameron)—Tonight and Friday partly cloudy to cloudy and somewhat unsettled weather and cooler tonight in northeastern portion.

West Texas—Tonight and Friday partly cloudy weather. Scattered showers occurred in the northeastern portion within the past 24 hours.

The highest and lowest temperatures for the State—Lampasas 78, Cameron 82 and Fort Worth led the State with 92 degrees.

Miss Gladys Walker, a popular Cameron girl teaching in Bryan, is expected home this week.

JAIL BREAKER IS CAUGHT; COMPANION FLEES TO HILLS

LAMPASAS CONSTABLE CAPTURES LEON FULTON AFTER CHASE.

Leon Fulton who with his companion Robert Pickett, broke jail Friday night May 18 in Cameron, was captured Monday by a constable in Lampasas after the men had been surprised in their hiding near that town.

Pickett is said to have escaped into the hills and has not been located. Sheriff Drue S. Rogers was advised of the capture of Fulton by telephone after he had worked for several days in getting information to officers in all sections of the country.

This is the second jail delivery within the month. Fulton is being held in connection with a forgery charge. Pickett is wanted in connection with the burning and robbing of the Fisher and Sons Dry Goods store in Thorndale last February.

Both men are under indictment by the grand jury. So far no trace has been found of the two men who escaped and were being held in connection with the theft of a large consignment of automobile goods, arrested by Sheriff Drue S. Rogers after a complete auto had been dismantled and buried in a cotton field near Rogers in Bell county.

No indictments were returned by the grand jury in connection with this case. No indictment was returned against Lena Wells Dossett for transporting liquor, a case sent up from the corporation court. She is now serving a one year sentence in the penitentiary.

Mrs. John E. Lee of Minerva spent a few days with friends here the past week.

JOYCE COX WINS CREAGER AWARD

PRIZES FOR BEST SPEECHES
AT ATHENAEUM OPEN
HOUSE GIVEN.

Joyce Cox and Ed. L. Gossett won the Creager awards of \$15 and \$10, respectively, for the best speeches made at the Athenaeum Literary Society open house meeting Tuesday night at the Texas Bible Chair.

Pictures of the Hon. Tom Connally and R. B. Creager were presented to the Society by Lloyd E. Sternberg, of the Texas Legislature. The Wroe cup (won by the Athenaeum from the Speakers' Club Monday night) was presented by J. P. Ellis. The musical program was opened by a cornet solo by Mr. Stohl, accompanied by Lillian Peace at the piano. Several selections were rendered by the University quartet.

The subject of Cox's winning talk was "The Custom of Getting Married." Ed. Gossett, who won the second prize, spoke on the subject of "Man." W. H. Saddle and C. P. Patterson, the other contestants, spoke on "The Modern Woman." After the program an informal meeting was held, and punch was served.

Austin, Texas, May 17.—Officers for the 1923-24 session have just been elected by the Athenaeum Literary Society for men in the University of Texas. Athenaeum was organized for the purpose of giving an opportunity for debaters among the members, and it is one of the oldest literary societies in the university.

The new officers are the following: President, Joyce Cox, Cameron; vice president, John C. Wolvoord, Jr., Dallas; critic, C. B. Beard, Fort Worth; treasurer, F. B. Lloyd, Reagan; Hubert Meeblinney, Buckholts; sergeant at arms, M. O. Rogers, Canadian; reporter, J. B. Brazelton, Tyler.

Mrs. J. D. Smith and daughter, Miss Frances, of St. Louis, Mo., who spent the winter here in the R. P. Jeter home, left Tuesday night for Ponham. Mrs. Jeter is a daughter of Mrs. Smith and it has been a great pleasure not only to her and her family but also to her friends to have her mother and sister in Cameron for this visit. Mrs. Smith had a severe illness a few weeks ago but had recovered and Miss Frances had improved much in health after a winter in the south. They go to Ponham to visit in the home of another daughter.

THREE FEATURES TO CONTRIBUTE TRADES DAY ADVANTAGES

BASEBALL SEASON OPENS WITH
BEAUMONT AND CAMERON
PLAYING FRIDAY.

Chautauqua, Baseball and Bargains—three of the greatest storm centers of interest in America will combine to make First Monday a red letter day for Cameron.

The Redpath-Horner Chautauqua which opens in Cameron Friday June 1 will be in full swing by the following First Monday. Manager Wm. R. Rogers of the Comets will meet Rosebud in the second game of the season with the long time rivals. This may be said to be the beginning of the 1923 season, however Friday June 1 Beaumont of the Texas League on way to north Texas will stop over for a game with the Comets.

First Monday which is June 4 will be featured as usual with the merchants giving their regular Trades Day bargains.

In every way First Monday will be the greatest event of the year, not only because of the merchandising effort by local merchants but because of the exceptional entertainment features and perhaps the most interesting of all at this time—the bleachers are to have their day.

Construction work is to begin this week on a new grand stand at the park and also showers and other improvements for the athletic field, money for which has been donated by the following business firms in Cameron: First National Bank, Citizens National Bank, Cameron State Bank; Robert McLane Company, C. W. Lawrence, F. E. Jackson and Owens Refining Company.

Rosebud to play Cameron on First Monday has assembled a good club this year and placed adequate finance behind the team. Cameron is to have a better club this year than in 1922 according to Manager Rogers.

During Chautauqua week the people of Cameron are making a special effort to entertain the people of the trade territory and invite all to Cameron during the week and Trades Day.

SUMMER SCHOOL AND CAMP TO BE HELD IN CAMERON

STUDENTS MAY MAKE UP FOR
LOST TIME IN SCHOOL
HERE.

High School students, both boys and girls, who wish to make up school work which they have missed, or in which they have failed, together with those who wish to do advanced work, will have an opportunity to do so this summer.

A summer school for boys and girls, and a camp for the boys, will be held by members of the present high school faculty. The morning hours, from 8 to 12 will be devoted to students while the afternoon and night will be spent at the camp. The advantages of the camp will be in the healthy outdoor life, fishing, swimming, and boating, together with supervised physical training which will be under the personal direction of L. Van Perkins, Director of Athletics at Yoe High School. Boys who wish may live at home and attend the school and also the boys who wish to enjoy the privileges of the camp but do not wish to take any studies will have that privilege.

Those who are interested in this work may secure full particulars by inquiring of Superintendent L. H. Kidd.

JAIL DELIVERY AT CAMERON.

Robert Pickett and Leon Fulton, two young men, are at liberty today after a sensational jail break at an early hour this morning. This is the second jail break within the month.

Miss Velda Walker who has been teaching the past term in the Gause public school is now at home for the summer vacation, after the closing of her school, she spent a few days in Bryan with her sister, Miss Gladys who is teaching there.

Miss Clara Thomas is visiting her sister, Mrs. Tom Law in Waco.

ROCKDALE BANKER IS BURIED SUNDAY

BUSINESS HOUSES CLOSE FOR
FUNERAL OF FRED H.
GRAVES.

Rockdale, Texas, May 19.—The funeral of Fred H. Graves, 39, cashier of the Rockdale State Bank, who died Wednesday, was held Thursday afternoon from the first Methodist church, of which he was steward.

He was a leader in business, educational, religious and moral circles and had been a member of the Rockdale Public School Board for 10 years. He served as president of the board for several terms, resigning a few weeks ago, following re-election.

Mayor H. C. Meyer issued a proclamation requesting all business houses to close during the hours of the funeral.

The body was escorted from the home to the Methodist church and there rested in front of the floral altar, where he had united with the church and before which 16 years ago he was married. The same pastor, Rev. W. S. Thomas, now of Houston, assisted Rev. N. H. Melbert in conducting the funeral ceremony.

From the church the body was escorted by the Knights of Pythias to the I. O. O. F. Cemetery.

At the grave the ceremony was conducted by the Knights of Pythias. The grave was covered with floral offerings sent by friends from town and over the State.

The active and honorary pallbearers were chosen from his business and religious associates. Immediate relatives surviving are: His widow, Mrs. Etta Loper Graves; two children, Mignon and Fred Hill Graves, Jr.; his mother, Mrs. Fred A. Graves; a sister, Mrs. T. S. Barkley, and two brothers, Preston and Rufus Graves.

TOWN WOULD INCORPORATE.

Thorndale, Texas, May 19.—County Surveyor Quinn Walker of Cameron has completed a survey of Thorndale with a view to drawing and circulating a petition to the commissioners' court calling for an election in the next few weeks to determine whether or not Thorndale shall incorporate under the "village plan." It is the purpose of those furthering the plan to maintain the city government with a minimum of expense, dispensing with the city attorney and city marshal.

IN MEMORIAM.

Cameron, Texas, May 17, 1923. The subject of this sketch, Mrs. Emma Florence Robinson, was born December 20, 1863, at Albany, Missouri. She was the youngest daughter of Judge Kelly, who moved to Kansas when she was a child, settling in the town of Caldwell where she married Andrew L. Robinson and moved to Milam county on November 4, 1883, and lived and died in the town of Rockholts, May 15, 1923.

She was known by the writer perhaps longer than any other person outside of her immediate family now living in Milam County. She was a faithful wife and devoted mother and took a very philosophical view of death. She trusted in God above everything. She gave minute instructions in reference to her burial and her estate, and did not want any obsequies, thus demonstrating the fact that there is a democracy in death.

fact that there is a democracy in death.

The funeral was had at the Methodist church at Rockholts, of which she was a member and it was conducted by Brother Milton, her pastor. He read some appropriate passages of Scripture, and after singing and prayer, paid a beautiful tribute to the deceased. The largest concourse of people that I have seen on this kind of occasion in many years were in attendance. She left a bereaved husband to whom she had always been faithful and five grief stricken children, three boys and two girls, all of whom were at her bedside in her last illness save and except one who was somewhere in North Texas, and could not be located.

She was universally loved by all who knew her, as was attested by the sorrow manifested on the occasion of her death. God bless her memory. I am sure that when he comes to make up his jewels she will not be forgotten.

CALOMEL GOOD BUT TREACHEROUS

Next Dose may Salivate, Shock,
Liver or Attack Your
Bones.

You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Little's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

A Wish

"I HAVE TAKEN Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of Cardui and her condition was much better."

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard on us."

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work." This card fulfils her wish.

PRESBYTERIANS TO HOLD MEETING IN LATTER PART JUNE

HAVE PROMISE OF SERVICE OF NOTED MINISTER FROM TYLER.

We have a conditional promise from Rev. Robt. Hill, D. D., pastor of the First Presbyterian church of Tyler, Texas, to come and hold a meeting for us the last days of June.

We cannot state positively as to the date as we are waiting to hear from Dr. Hill, who is at present at the General Assembly. We are making this announcement because the time is short and we do not wish any one to miss having the opportunity of hearing Dr. Hill.

Presbyterian people who are acquainted with him realize the treat that is in store for us. Dr. Hill has been for years the pastor of one of the best churches in the state. He has also been at the head of the Assembly Committee on Sabbath and the Home.

The last Christian Observer contains an able report by him to the Assembly. It will be worth your while to keep this tentative announcement in mind and inquire as to these services.

METHODIST MISSIONARY.

The ladies of the Methodist Missionary Society had their regular meeting last Monday afternoon.

Circle one, met at the City Park, Mrs. Andrew Freeman led the devotional. Mrs. Tom Denson laid before the circle the plans for the religious survey which is to be made soon.

No. two, met with Mrs. J. W. Sykes. Devotional was led by Mrs. Agee. Two committees were appointed, one to work on the religious survey, the other to make a poster. The hostess, assisted by Miss Willie Hefley, served refreshments.

No. three, met with Mrs. Pope Sapp. Mrs. W. H. Triggs leading the devotional. A poster committee was appointed. A number volunteered to work in the survey. A rummage sale is to be put on Saturday, May 26th. Prayer of dismissal by Mrs. Howard Baskin. The hostess served sandwiches and ice tea.

No. four, met at the City Park with twelve members present. Devotional was led by Mrs. J. L. Clinton. Mrs. W. A. Bonds' Sunday School class furnished a splendid little program. This circle also appointed committees for the survey and poster work. A social hour followed, circles Nos. one and four combining to enjoy the individual picnic lunches which had been prepared by Mrs. R. L. Batte.

HUNDREDS ATTEND SONG CONVENTION IN CAMERON SUNDAY

DAY COUNTED ONE OF OUTSTANDING IMPORTANCE IN HISTORY OF TOWN.

The Salty District Singing Convention was held this quarter in the Methodist church on Sunday May 20th. This convention meets quarterly. A. J. Jackson of Salty, president of the Convention, father of our Mrs. Burrell Pugh, presided on this occasion.

The Convention was called to order by Judge John Watson who introduced Mayor J. B. White who delivered the address of welcome and extended to the visitors, for the entire city, a most cordial welcome, which was responded to by W. W. Blocker of Pleasant Hill.

The songs of the morning were congregational but was led by some appointed leader joined in by the entire congregation. Among those who led the songs were T. J. Caffey, of Salty; Frank Jackson of Salty; W. W. Kyle and Ollie Kyle of Forest Grove and Dave McCoy of Sandy Creek.

Dinner was announced at twelve o'clock and all went to the City Park where the ladies of Cameron had prepared a feast which was in charge of Messrs. Geo. T. Graves, W. A. Bonds, John E. Mangum, Dr. James Watson, Wiley Mangum and others. Rev. Sam Elliott of Thorndale, a member of the Christian church for more than fifty years in Milam county, invoked the Divine blessings.

Never has there been a finer dinner served and after all were waited on there was plenty left and baskets were sent to the poor farm and jail. More than two-hundred and fifty well filled baskets were sent to the park committee that had been prepared by the ladies; barbecued beef, the very best, was added by the committee. Maxwell House Coffee was served by local agent, Robert McLane Wholesale Grocery Company, and was served by the young men of his service: Messrs. Trent Newton, O. S. Crittenden, Wiley Mangum, Lee McLane, Drayton McLane and others. The Coffee held to its reputation, "And was Good to the Last Drop."

Ice water was brought down on trucks and the ice was furnished by Cameron Ice Company. After dinner the crowd gathered again at the church and the program committee, consisting of the following Messrs. W. W. Kyle, of Forest Grove; W. W. Blocker of Pleasant Hill; Frank Jackson of Salty; Dave McCoy of Sandy Creek; Walter Baggett, of Tracy; and W. A. Bonds of Cameron, presented the following program:

Three selected songs by each class, and three songs by the Carr Quartet of Temple and Leon County Quartet. The program was carried out as scheduled. By request Mrs. Ira F. Key rendered several selections on the Pipe Organ.

One of the surprises of the morning session was the eloquent introduction of the members of the Leon County Quartet by Andrew Freeman of Cameron. The members of this quartet were well known by Messrs. Du Bois, Freeman and Wall, of former residence of Leon county, and it was upon the invitation of these gentlemen the quartet came.

The large auditorium was crowded

to its capacity, and many sought the seclusion of cars. Every room of the church was open for the visitors. All sections of the county were represented. The crowd was estimated between fifteen-hundred and eighteen-hundred people.

The music furnished by the quartets was very much enjoyed. The Carr Quartet is filling professional engagements over the county this week.

Too much praise cannot be given to the ladies of Cameron who responded to the request and furnished the splendid dinner. Judge John Watson Chairman of the Executive Committee, achieved wonderful success in this very large undertaking.

Rev. Ira F. Key extended a most cordial invitation for the convention to make a return visit at any time. Among the prominent guests of the occasion were the President of the Convention of Salty, who has been prominently connected with these conventions for many years, and has a large family of sons and daughters who take an active interest in the proceedings of these quarterly meetings.

Another patriarch was Alec Conolly a kinsman of our Judge Graham Gillis, W. A. Bonds and B. F. Bonds, and is a distinguished leader of note singing, and is always found at these conventions, and both are old citizens of Milam county and each has celebrated his Golden Wedding Anniversary.

Another familiar figure of the convention was W. W. Kyle, of Forest Grove whose class numbers among its members, his wife, three sons and two daughters. His class is one of the favorites of the Convention.

W. W. Blocker, leader of Pleasant Hill singers brought a very fine class with him and their selections were much enjoyed. Rufe King of Millerton, led a large class of enthusiastic singers.

The smallest class among the singers was led by Dave McCoy, of Sandy Creek, but the melody of their voices were unsurpassed.

The Cameron class was led by Miss Nell DuBois and was composed of members from the different church choirs. The piano was kindly loaned by the congregation of the Presbyterian church and the organ was furnished by T. A. Howell, our popular music dealer.

A vote of thanks was tendered the officials of the Methodist church for the use of their beautiful building and to the citizens for their generous hospitality.

TURN ON THE LIGHT.

No thinking man would say that Americans are not, as a whole, kind hearted, indulgent, sympathetic, and generous hearted. With prison conditions being brought in to the lime-light as they have been by the Florida affairs, he would be brave who would deny that we are also ostrich-like; we shut our eyes to what is unpleasant and deny that it exists.

Prisons are necessary; society has a right to protect itself against those who break the laws, which all must obey if all are to be safe and happy.

But flogging prisons, prisons where cruelty is practiced, prison positions which are political rewards for deserving party workers, prisons which make unwise but not bad men into criminals, which make criminals worse which deform mind and body, are not necessary.

When they visit, the fault is not, primarily, with those who keep and manage them. They are certainly not the fault of those society sends to inhabit them. They can truly be blamed

ed upon none but those who permit them; upon the electorate, which shuts its eyes to man's inhumanity to man.

Christian people agree to live by the Golden Rule. Christian people quote Christ and believe that "Inasmuch as ye have done it unto one of the least of these my brethren, ye have also done it unto me." People of other faiths than Christian who are members of this body politic have equally strong and merciful words of their prophets by which to live, and act, and be their brother's keeper.

Yet we shut our eyes; we put our heads in the sand; we wait until torture, murder, and other outrages against God and decency find their way into print to rouse us to our neglected duty towards those who, no matter how they sin against society, are still human and therefore still made in God's image.

Our section of the country has a jail; those who neither know nor care what kind of a jail it is, should ask themselves with Cain, "Am I my brother's keeper?"

meet which is to be held in Chicago Friday and Saturday. He stated that if the club would raise \$100 it would be possible for the boys to make the trip. He declared that these two athletes were the only ones from Cameron who had ever been eligible for this nation-wide meet. The president was instructed to appoint a committee to raise this fund. President Lawrence appointed the following: Moulton Cobb, chairman, John E. Mangum and Cy Perkins.

Mr. Lawrence explained that T. S. Henderson, Jr., had been invited to address the club on the subject of "Cameron's Possibilities." He called upon the secretary to introduce the speaker of the evening. Mr. Henderson declared that the club had been instrumental in building good roads throughout Milam county but it was now time to seek new enterprises and plan a definite program. He favored securing experts to analyze the soil of this county and find out what could be most profitably raised here. He also thought that the factory situation should be thoroughly investigated. Upon the development of our natural resources depends the future growth of Cameron and Milam county, according to the speaker.

After he had completed his address, President Lawrence called for expressions upon the subject. Mayor J. B. White said that Cameron had vast and undeveloped resources and that he would like to see the club pursue a definite program. H. M. Hefley said that there was considerable food for thought in Mr. Henderson's discussion.

Geo. Banzhaf said the railroad engineers were willing to co-operate. Wm. Henderson extolled the work of the Commercial Club and declared that he was proud of the work that it had accomplished. He said he had continuously sung its praises. He stated that all we needed was an objective—something to work to.

Mr. Sherman of the Merchants and Planters Mills expressed pleasure at being present and made one of the best talks of the evening on the advantages of a cotton mill. He also showed where the South was taking the lead in the cotton mill industry and prophesied that mills would be located in every section of Texas in a few years.

The chairman was instructed to appoint a committee to work out a plan to make a general survey of the situation in Cameron and Milam county.

OFFICE DOG

Howdy folks, if the other fellow can, you can. Because, to the other fellow, you are the other fellow.

Says a reformer: "Gold is unequalled as a cause for provoking men to swear and curse." But I am not so sure about that; how about hunting a place to park? *

An eight day clock in a certain Cameron home gains five minutes a day for the first three days, after it is wound. From that time on it loses three minutes a day. A never ending source of speculation is guessing what time it is.

CONSTRUCTIVE PLAN OF WORK ENDORSED BY CHAMBER HERE.

(Continued from page 1.) adaptability for other crops and utilizing them to the maximum.

A city situated as is Cameron, depending largely upon the production of the one crop, needs progress in an industrial way. By way of surmounting the objection of unprofitable enterprises Mr. Henderson very logically lays down the proposition that no industry be set up or encouraged until first its security has been ascertained by survey to prove whether it is profitable. In this way, laying the foundation so as to insure profitable and long lived operation for any industry, the unhappy financial experience of many towns eager for expansion may be avoided.

Certainly a program of this kind can have no other result than a quickening of the resources of the territory. If nothing is undertaken that is unprofitable, success is assured in advance. If by finding our logical adaptation as to agricultural products and making the survey we can enrich the farms, the future of the city is forever secure.

The climax to this program is the fact that available for the asking is the government institutions, the railroads and other sources, ready to furnish information and conduct surveys and to aid in the program of industrial development.

For constructive outlook this program leads thinking business men to the point of co-operation to the end that achievements commensurate with the scope of the work may be realized.

MRS. GREGSON, 76, THANKS TANLAC

GAINED 11 LB. AND NOW DOES HOUSEWORK AND GARDENING, TOO, SHE STATES.

"I am now seventy-three years of age but, thanks to Tanlac, I am able to be active and busy all the time," states Mrs. Mollie C. Gregson, of 2107 Ross Ave., Fort Worth, Texas.

"I was so nervous and run-down about three years ago I scarcely had any strength at all, and just didn't feel like doing anything. My appetite was completely gone and my nerves so chattered the least noise made me jump. I could never get any restful sleep, and simply felt miserable.

"But the Tanlac treatment corrected my troubles and actually built me up eleven pounds in weight. It has kept me in splendid health ever since, and I not only have plenty of strength to do all my housework, but during the flower season I enjoy getting out and working my flowers as well. I believe Tanlac has added years to my life, it's just the grandest medicine made."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

CAMERON ATHLETES GO TO CHICAGO TO NATIONAL MEETING

JACK TAYLOR AND ELTON BAGGETT TO COMPETE IN DASH AND DISCUS THROW.

JACK TAYLOR

Dr. G. B. Taylor and son Jack, and Elton Baggett, left Cameron Monday afternoon for Chicago where the latter will compete in the national athletic meeting. Dr. G. B. Taylor will spend three weeks in Chicago to take special courses in ear, eye and nose treatment.

Jack Taylor recently won at the state meeting in the discus throw and will compete at Chicago for the Olympic which will be held in Paris, France in 1924.

Elton Baggett was second in the 100 yard dashes at the state meeting and will also compete for the Olympic in Paris next year. Baggett is considered one of the fastest men in the hundred yard dash in recent years and a member of the Cameron fire team at San Marcos smashed all previous records winning the No. 1 silver cup for the team.

Jack has consistently won all meets in high school athletics and it is believed here he will be among the successful who will go to Paris.

Both men were coached by Cy Perkins, coach for the Yoe High School this year and Cameron feels proud of the record its high school athletes have made.

Mrs. John Watson who has been in Temple for several days, has returned home to Cameron.

THE WINGS OF BEAUTY.
Which holds her deepest glory, sky or earth?

The flower from dust mysteriously drawn,
Or the rose crystal of an artie dawn?

From what transition has she wilder birth?
Often she comes unheard—as often flees.

A little while she haunts, where sunsets rest,
A cold, pure space of emerald in the west,

Or shadowed water under quiet trees.
Upon what heavens would you see her fly?

Over the soundless meadows of the snow,
Or where the winter stars as white-ly glow,

That follow April sunsets down the sky?
Her vision is by darkness or by day;

The burning poppies splendid in the noon
Summon her face, or ember of the moon.

Setting the clouds a-smolder far away.
What gift of hers is dearest at the last?

Margins of morning dipped in fading fire,
Or autumn lying on her golden pyre,

Or marble molded in the choric past?
The dew drop and the ocean share the sun,

By whose creative light we find access
To this fragility of loveliness—

These fleeting homes of an Eternal One!

HOLLINGSWORTH-IRELAND.

A marriage of unusual interest to their many friends occurred last Saturday, May 19th at 5:30 o'clock p. m. when Mr. Elbert Hollingsworth and Miss Kathleen Ireland, both of Maysfield, Texas, motored to Rockdale and were quietly united in matrimony by Rev. Milburn, pastor of the Methodist church of that place.

The bride is the charming young daughter of Mr. and Mrs. J. H. Ireland of Maysfield, and the groom is a prominent young business man of Maysfield, both of whom have a host of personal friends and well-wishers.

The bride and groom left immediately for neighboring towns by motor where they will spend several days, after which they will return to Maysfield to make their home.

KID PARTY.

One of the most attractive entertainments of the kind ever given by the Yoe High School classes was the "Kid Party" which the Juniors tendered to the Seniors last Thursday evening at the City Park.

Both classes, boys and girls, came dressed to represent children of seven and eight years old. The boys in knee trousers, waists with Windsor ties, and low cut shoes, while the girls appeared in dainty aprons, Mary Jane dresses, hair curled and flowing full length with pretty bright ribbon bows, dainty socks and patent pumps of kindergarten style some carrying Teddy Bears while others carried or trunneled dolls in their carriages.

All the faculty of the High school were invited guests and lent dignity to the occasion. Here is where the children, headed the "City Dads" as the beautiful play ground at the park is reserved for "children only" and "Backward turn backward, on time in its flight," was truly demonstrated, and guests were made children just for that night. This play ground never gave pleasure to a merrier bunch of children than that evening.

A delightful spread was enjoyed by all present, consisting of sandwiches tied with the class colors, pickles, olives, ice tea, cream and cake. Favors were beautiful sweet peas.

FROG SUPPER.

Miss Amelia Williams, Class Supervisor and Mr. Perkins, Athletic Coach, chaperoned the Senior class of Yoe High school on a picnic at and enjoyed a frog supper and weina roast. They left town at six o'clock in the afternoon arriving at the lake where they caught the frogs and enjoyed the preparation of this delightful picnic as only High school students can.

The girls all wore Kaiki suits and participated in boating and racing and stunts of different kinds. At a late hour this happy crowd returned to their homes voting Miss Williams and Mr. Perkins ideal chaperones.

BIRTHDAY DINNER.

Mrs. C. A. Sprott and sister, Miss Edna Sprinkle, remembered little Miss Elizabeth Reid Sprott, the four year old daughter of Mr. and Mrs. Sprott, with a delightful birthday dinner, Sunday, May 20th.

This little maiden—on opening the dining room—presented a real picture seated at the head of the table in her high arm chair which had been previously decorated as a Throne, in pretty shades of pink and purple with tinsel. She, with her crown of royal purple adorned with tinsel stars, made a picture any queen might envy, and the King, in the person of her little brother, sat at her left with

his royal crown and seemed to fully understand and acted with dignity his exalted position. After feasting on the many delightful eats prepared for the occasion, with covered electric lights, the four candles were lighted which rested on the beautiful birthday cake that was adorned with the white lillies—her birthday flower. The little Queen and King were delighted over the puffing out of the candles, after which the auntie cut and passed the cake with delicious ice cream.

This little maid was made happy by the gift of many toys that wouldadden the heart of a wee girlie like herself. Besides the members of the family there was present Miss Delphya Scott to enjoy this delightful occasion.

FORTY-TWO CLUB.

Mrs. R. D. Brown was the gracious hostess last Thursday afternoon to the Forty-two Club. Choosing lavender and pink as the color scheme for decoration. The reception suite given over to this hospitality was pretty and attractive. Sweet peas shed their fragrance throughout the rooms, and the tables and accessories carried out the color scheme.

After a number of spirited games of the afternoon's diversion, the hostess served her guests with a two course luncheon consisting of tunny loaf, cherry salad, sandwiches, crackers, olives, ice grape juice, lavender ice cream and cake with pink icings.

Out of town guests were Mesdames L. C. McBride of Dallas and Warren F. Stone of Mount Clemens, Michigan.

HISTORY CLUB.

The History Club met at the City Park Tuesday afternoon and held a business session, after which there was an election of officers for next year, which was as follows: President, Mrs. R. P. Jeter; Vice President, Mrs. Lloyd Mitchell; Secretary, Mrs. Jeff T. Kemp, re-elected; Treasurer, Mrs. S. A. Cottle, re-elected.

The Year Book Committee was appointed as follows: Chairman, Mrs. J. E. Denson, Mesdames W. O. Triggs, Paul Webb, John Martin and Miss Winnie Henderson. The Club closed the year's work and adjourned until this fall.

A PRETTY RECEPTION.

The stately home of Mr. and Mrs. Robert McIntosh was the scene of a very joyous hospitality last Friday afternoon when Mrs. McIntosh entertained in honor of her house guest, Mrs. L. C. McBride of Dallas.

The entire reception suite presented a beautiful setting for the assembly. The opalescent shades of lavender and pink were chosen by the hostess for the decoration, and was beautifully carried out with sweet peas and pansies, placed in cut glass vases and bowls which rested at most advantageous place.

Guests upon arrival were met at the door by Mrs. R. D. Brown who in a charming manner presented them to the receiving line, composed of Mesdames McIntosh, L. C. McBride, the honor guest, Walter Lawrence, Tom Denson, W. G. Gillis and S. W. Cheeves. Mrs. T. S. Henderson, Sr., graciously invited them into the dining room where Mrs. Haden Lawrence, Misses Annie Lou Baskin, Bess Han-

na and Alice Lawrence served brick ice cream and cake. The dainty little daughter of the household, Katherine McIntosh assisted by Caroline Cheeves, passed handsome parties tied with pink ribbon, as plate favors.

The honoree, Mrs. McBride, looked regal in a handsome all black silk lace gown over black satin. The hostess was charmingly attired in periwinkle blue, and the entire receiving line and ladies of the house-party, were elegantly gowned and wore attractive corsages or carried beautiful bouquets of sweet peas or pansies, presenting a beautiful picture. Some two-hundred ladies called during the afternoon to welcome Mrs. McBride back to her old home, even though for only a few days visit.

SUNRISE BREAKFAST.

Prof. and Mrs. L. H. Kidd met the Grammar Grade teachers at the City Park last Saturday morning and enjoyed a Sunrise Breakfast. There were about eighteen in number to enjoy this delicious breakfast, one contributing something to the meal. All kinds of cereals, fruits, coffee, toasted bread with butter, broiled breakfast bacon, eggs jellies, preserves and all good things to eat were in evidence. The delightful morning added much to the pleasure of the occasion, and all lingered late until the warmer rays of the sun brought the fact to their minds that the day was well on its wings, when they parted for their homes.

GET-TO-GETHER MEETING.

Monday evening last the City Park was again the scene of a gathering of the teachers. Professor and Mrs. Kidd with all the married teachers gathered and had a most delightful supper. This was a real get-together meeting. Besides the married couples there were present Mr. Russell Harper and mother, Mrs. Harper, and Mr. Meadows. These two gentlemen are members of the faculty, but unfortunately have not yet been persuaded to take up the matrimonial yoke.

SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Menthio-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Menthio-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Menthio-Sulphur may be obtained at any drug store. It is used like cold cream.

COMMENCEMENT WEEK IS FEATURING RECITALS

GRAMMAR SCHOOL PLAY APPLAUDED

THE KINDERGARTEN CHILDREN
PLAY PART IN FINE PRO-
GRAM MAY 17.

Judged from every standpoint, the entertainment given by the pupils of the Grammar School last Thursday night was a gratifying success.

Funds were needed to pay for some school equipment installed last year, so the student body backed and trained by the faculty, lent their talent in giving an entertainment that was full of originality and good wholesome fun. Everybody got his money's worth in good hearty laughs and the gate receipts will go a long ways in paying off the indebtedness, according to R. H. Brewer, principal of the school.

The program for the evening opened with a selection by the Kindergarten band. This little band of musicians, under the direction of Miss Sallie Kate McLane, was one of the "sweetest" things ever seen on a Cameron stage. This adjective was used by every one in the audience when the Kindergarteners appeared so we have no apologies to make.

The introduction of the faculty by Supt. L. H. Kidd was a clever take off. Each teacher was enabled "To see ourselves as others see us."

Space would forbid special mention of every number, but they were all good and we venture to predict that a good house will greet these young entertainers the next time they appear.

PIANO AN EXPRESSION RECITAL

Tuesday morning at 9:30 o'clock and again Tuesday evening at 8, the pupils of Russell C. Harper and Robt. Smith appeared in recital in the Auditorium of Yoe High School.

Piano numbers by Mr. Smith's pupils were interspersed with clever readings from Mr. Harper's class making a program of pleasing variety.

The morning program was given by the junior classes and these young artists gave splendid promise of becoming finished performers. The advanced pupils who appeared in the evening met the expectation of their teachers and friends in the rendition of the parts assigned them. Both performances proved that Cameron is to be congratulated on the talent of her young people and that the teachers who train this talent are capable and conscientious.

The program of both hours is given below:

Mammy Judy Johnson, A Black Blue-Grass Widow, Alice Henderson.

JOINT RECITAL

Last Monday evening Mesdames Paul Webb and Edwin York gave a joint recital in the parlors of the Auditorium Hotel, Mrs. Webb presenting her younger pupils in music and Mrs. York presenting her expression pupils.

The program was well filled and each student showed careful training and marked progression, this being the second program given by these teachers in their respective classes.

Mrs. Webb offered a prize to the pupil making the greatest progress in the year's work. This was won by little Katherine McIntosh, daughter of Mr. and Mrs. Robert McIntosh, which was a music roll.

Both teachers are excellent in their particular line of work and their pupils advance rapidly and have a finish in their art that is particularly attractive. Following is the program rendered:

Duet—Sing Little Birds, George Spaulding, Katherine McIntosh and Mrs. Webb.

Reading, Naughty Zell, Griffin, Mary Belle Batte.

Reading, Miss Edith's Modest Request, Bert Harte, Foldine Rylander.

A Question of Loyalty

Folks who go to other towns to buy what they can get in Cameron for the same price, are breaking down the spirit of community loyalty. Folks who buy from the itinerant salesman who "takes orders and delivers" wrongs the community in that they fail to give local merchants the consideration they are entitled to.

The Mail Order Catalog and the "Quack Merchant"

Have done more to discourage community wealth than all other mercantile evils in history.

How Much

SCHOOL OF INSTRUCTION HELD BY EASTERN STAR

The Annual School of Instruction of the Order of the Eastern Star met for the second time in Cameron last week. The Chapter convened Thursday, May 17th at 2:30 p. m. Worthy Grand Matron, Mrs. Mattie Adell Sebits, of Higgins, Texas, was introduced and most cordially welcomed by acting Worthy Matron, Mrs. Mattie Shepherd.

There were also District Deputy Grand Matron, Mrs. Emma Allen of Copperas Cove. Mrs. Nettie Berry Assistant Deputy Grand Matron, of Temple. Mrs. Claude McGregor was appointed Secretary. Mrs. Emma Allen gave instructions in the secret work of the order, after which they dismissed until evening when they assembled at 8:30 o'clock with open house. Many of the masons of the town and surrounding country came in with their wives and again Mrs. Mattie Shepherd presided in the absence of the Worthy Matron, Mrs. Geo. T. Graves.

With Mrs. Ira F. Key presiding at the piano the following program was rendered: Invocation by Rev. Ira F. Key, after which the song America was sung by the audience. Mrs. Jeff T. Kemp in her usual sweet and impressive manner welcomed the Grand Officers, delegates and visitors. In her address she gave a brief historical touch, and read a poetical tribute to the Order of the Eastern Star. The response was given by Mrs. Emma Allen, District Deputy Grand Matron, who expressed their pleasure in being present and gave an interesting and educational talk of the Order.

Next Mrs. Alex Triggs favored them with a beautiful solo—"The Star of the East." Next came the address of Mrs. Mattie Adell Sebits, Worthy Grand Matron. In this address she praised the Masonic order, stressing the fact that one seeing the Masonic emblem they feel a safety in asking necessary questions and knew they would receive an intelligent and courteous reply.

She impressed it upon the hearers that it was their duty to magnify Christ's teachings and set an example of high ideals to mankind. Her audience felt it came from one who was sincere and whose heart was in the work of the Eastern Star. After the address Mrs. J. L. Clinton gave two beautiful vocal solos. Talks were made by several among them were Messrs. T. F. Hardy, Judge Jeff T. Kemp and Mrs. Nettie Berry, all of which were enjoyed. After the program refreshments were enjoyed which consisted of sandwiches and delicious fruit punch.

The next day's meetings were conducted by the Worthy Matron, Mrs. Geo. T. Graves. Instructions were held during the day, many visitors being here from near by towns to participate. The chapter rested from twelve to two o'clock when session re-convened and the Cameron Chapter put on Degree work after an hour of instruction in the Ritual, Constitution and Parliamentary Laws. The exemplification of the Degrees by the Cameron Chapter the Worthy Grand Matron complimented Cameron Chapter most highly on the manner in which they conferred the degrees.

There were present Grand Officers 3, visitors 31; Chapters represented 12. Four visiting Worthy Matrons; two Past Worthy Matrons. The Annual School of Instruction was invited to meet next year with the members at Lott. The Worthy Patron, T. F. Hardy, stated that in case for any reason they did not go to Lott, Cameron Chapter would be glad to have them again next year. At the conclusion of the afternoon's program Mrs. Nettie Berry, Assistant Deputy Grand Matron, read the following resolution:

We your Committee on Resolutions wish to express our appreciation for the many courtesies and generous hospitality shown us while in your beautiful city, and especially do we wish to express our gratitude to those who have so loyally entertained us in their homes, and for the reception given where we had the gracious privilege of enjoying the beautiful music and address of welcome.

Words are inadequate to express to our Worthy Grand Matron, Sister Sebits and also our District Deputy Sister Allen for their wonderful addresses. They should indeed inspire us to want to look higher, and higher where we will finally be gathered in the Grand Chapter above.

Your Worthy Patron, Bro. Hardy, indeed is not forgotten in our hearts for his beautiful words of praise and support in our Order.

To the Editors for their co-operation and to each and every one who contributed to our school in the least do we offer our sincere thanks.

"Wouldn't the world be nice to live in Cheery thru and thru

If every one were just as kind

As folks like you.

'Course we can't get all we aim for,

Every day its true

But there's one thing never fails us,

Folks like you.

Mighty sure when we embark

For shores beyond our view,

We shall find that Heaven is only

Folks like you."

"THE LILY OF THE WILDS."

Captain Lawrence Sullivan Ross, ex-Governor of Texas, and Indian fighter, rescued a beautiful white-girl from the Comanche Indians in 1958, near Fort Belknap, Texas, and then adopted her as his own daughter. While in captivity she was known as "The Lily of the Wilds," and was recaptured after a desperate battle with the Indians, in which Captain Ross

EDITORS OF NATION OPPOSE ISOLATION

POLL OF PAPERS SHOWS ATTITUDE OF PRESS FAVORS THE LEAGUE.

That the editors of the country are overwhelmingly opposed to a policy of isolation, is the finding developed by the Institute of American Business as a result of a symposium conducted under its auspices.

Republican editors endorse President Harding's proposal that the United States join the World Court under conditions that will entail no entangling alliances.

Democratic editors not only endorse the World Court idea as a second choice, but still remain faithful to the Wilson League of Nations program.

Inquiries were addressed to 1,000 daily and weekly newspapers outside the metropolitan centers, Republican, Democratic and Independent publishers being given representation in proportion to the total number of papers included in each classification. Seven hundred and thirty-five replies were received. The questions at issue as stated in the symposium were:

1. Should the United States enter the League of Nations as now organized and share with the other members the full responsibilities which its covenant involves?

2. Should the United States enter the League of Nations with such reservations as will limit the League in its jurisdiction as far as we are concerned to appeals made to world public opinion in behalf of its decisions?

3. Should the United States give conditional adherence to the permanent Court of International Justice established at The Hague under the auspices of the League of Nations in accordance with the provisions of the Harding-Hughes formula?

4. Should the United States give unconditional adherence to a Supreme Court of the World organized to outlaw war, in accordance with the provisions of the formula elaborated by Senator Borah?

While the Democratic editors heard from were overwhelmingly in favor of having the United States enter the League of Nations as now organized and share with the other members the full responsibilities which its covenant involves, they were as a rule far more inclined to accept a compromise proposition than their Republican brothers. Replies were received from 96 editors of Democratic Dailies. Of this number 78 favored entering the League, while 18 voiced an emphatic No. Of the 96 heard from, 39 were willing to enter the League or nothing. Fifty-four Democratic editors made the permanent Court of International Justice established under the auspices of the League of Nations "in accordance with the provisions of the Harding-Hughes formula" a third choice. They were willing to accept the Court if it

was impossible to bring the United States into the League. Twenty-one were even willing to accept the Supreme Court of the World proposition as elaborated by Senator Borah, while 33 declined to accept the Supreme Court of the World as a fourth choice.

Replies were received from the editors of 105 Democratic weeklies. They stood 87 to 18 in favor of the League. Thirty-three were willing to enter the League with reservations while 36 stood steadfast against any compromise. Sixty-three of the 87 were willing to accept the Harding-Hughes World Court, while 33 were even willing to go along with the Borah proposition if nothing else was in sight.

Replies were received from 192 editors of Republican dailies. Only 15 of this number were for the Wilson League, 177 saying No. The number willing to enter the League with reservations was 33, 156 declining to accept the League in any form.

The showing in favor of the permanent Court of International Justice established under the auspices of the League of Nations "in accordance with the provisions of the Harding-Hughes formula" was 150 to 51. 36 Republican editors were willing to accept the Borah World Court proposition, while 138 registered their opposition. The same general figures prevailed as far as the editors of Republican weeklies were concerned, only 9 being willing to accept the Wilson League. The number willing to enter the League with reserva-

tions was 21, while on the Harding-Hughes World Court proposition the vote was 81 for to 27 against. The number willing to go along with Senator Borah was 18.

The editors of Independent dailies were consistently opposed to isolation. Replies were received from 135, 93 standing for the Wilson League as against 42 opposed. The showing as far as entering the League with reservations was concerned was 60 for to 36 against. While only 93 of the 135 were willing to enter the League, 102 found the Harding-Hughes World Court acceptable, 33 being willing to accept the Borah World Court as a compromise.

While the editors of Independent dailies showed a majority in favor of the League, the editors of the Independent weeklies developed a majority against the League, lining up for the Harding-Hughes Court. The showing for the Administration program was 48 for to 30 against. Twenty-four editors of Independent weeklies favored the Wilson League, 54 saying No. Twenty-seven were willing to enter the League with reservations, while 45 would have none of it under any conditions.

Replies were received from 24 publications that do not register their political affiliations in current newspaper directories. These publications stood 12 for the League and 12 against. All of the 12 that favored the League were willing to accept the Harding-Hughes Court, 9 saying No.

The total number of editors out of the entire 735 who registered a No

to each of the four questions was 72. While in the majority of instances replies to the question were confined to a straight Yes or No, a number of the editors heard from set forth their position in greater detail.

EVOLUTION AND MOB LAW SCORED BY THE BAPTISTS

GREAT DENOMINATIONAL CONVENTION MAKES HISTORY AT KANSAS CITY.

Kansas City, Mo., May 19.—The Southern Baptist convention, in session here today selected Atlanta, Ga., as the place for the convention next year, endorsed the establishment of a seminary for negroes in Nashville, Tenn., and approved plans for the erection of a \$2,000,000 hospital in New Orleans, La.

"Marathon dances" were characterized as disgusting exhibitions; mob violence, whether by persons masked or unmasked, was declared to "trample in the dust every human right," and prohibition laws were endorsed, in a report of the social service commission, adopted tonight by the convention. On the question of dancing, the report said in part:

"The ever present and ever insolent dance evil continues. The latest form of nauseating excess which this destroyer of the modesty and morals of manhood and womanhood, has gone, is the disgusting exhibitions popularly known as 'marathon dances.' Such exhibitions serve to show in a new light the incurable evil of an indulgence which in its very nature is fleshly and sinful. Our pastors ought everywhere to speak in the most emphatic terms concerning such evils."

"The recent action of New York in repealing its enforcement code is a disgrace to that state and an insult to the federal government," the report said in commenting on the eighteenth amendment.

"Enforcement in New York will be somewhat more difficult, but prohibition will go forward, not backward. The question before the American people is not, shall we have prohibition, but shall orderly government prevail?"

"The recent decision of the supreme court is in every way good for this cause. It is a surprise that it holds that American ships are exempt from the operation of a law of the United States when on the high seas or in foreign ports. But this easily can be remedied by the next congress through the enactment of a law to apply specifically to American ships everywhere. Meantime, it will not be very feasible for ships to stock and unstock with liquors at the three-mile limit."

A report of the relief and annuity board, adopted today, declared that the Southern Baptist convention is aiding 925 aged ministers and dependent members of their families. It declared that the board's resources were \$1,490,193.59, which according to the report, is inadequate. The board has projected a program calling for the raising of a total of \$10,000,000 for future work.

"Such a fund will make possible an annual income each year of from \$500,000 to \$600,000 and will enable

If Kidneys Act Bad Take Salts

Says Backache Often Means You
Have Not Been Drinking
Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, can not injure and makes a delightful, effervescent lithia-water drink. Drink lots of soft water. By all means have your physician examine your kidneys at least twice a year.

the board to do a worthy part by the aged Baptist ministers," Dr. William Lundsford, corresponding secretary, said in presenting the report.

In selecting Atlanta as the next convention city, it was declared that, since the \$75,000,000 campaign was started there in 1919, that city would be a good place in which to wind up the campaign.

A change in our laws relating to the exclusion of Chinese, was recommended in a resolution adopted at the morning session.

"Deportation of Christian Chinese born in this country and brutal treatment of others," the report declared, "is doing much to weaken the influence of American mission work in China."

The report asks that pastors and local churches petition representatives and senators to have these laws modified.

A detailed report of the committee on woman's work was adopted.

The report on the negro theological seminary endorsed a plan to buy the property of St. Cecilia academy, a Catholic school for girls, in Nashville, if the cash is available. It was also declared that \$50,000 be set aside a year from the \$75,000,000 campaign to go to the seminary.

William Jennings Bryan addressed the convention tonight.

AN OLD RECIPE TO DARKEN HAIR

Common Garden Sage and Sulphur makes streaked, faded or gray hair dark and youthful at once

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by

the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Here Fail Not, under penalty of the law, and of this Writ make due return.

Given under my hand and seal of office, in the City of Cameron the 9th

day of May A. D. 1923.

CONFEDERATES OF HAYS COUNTY TO MEET JULY 25-27

INVITATION SENT TO ALL TEXAS
PAPERS FOR COMING CON-
VENTION.

The Herald has received the follow-
ing taken from a marked copy of the
Kyle News, in Hays county, announc-
ing a three day reunion of the Con-
federate veterans from Camp Ben
McCulloch:

Commander Robert E. Lee, of Camp
Ben McCulloch United Confederate
Veterans, has selected Wednesday,
Thursday and Friday, July 25, 26 and
27, for the annual reunion of the Camp
to be held at the camp grounds near
Driftwood.

These dates have been selected, be-
cause of moonlight nights, the moon
coming to the full on July 27.

The program committee is lining up
some of the State's best speakers for
the occasion, and those who attend
will be well repaid for the time and
trouble expended, besides helping to
honor the "Veterans in Gray."

All Texas newspapers are earnest-
ly requested to copy this announce-
ment, giving as prominent position
as possible, as the management is
very anxious to avoid conflict of
dates with other entertainments.
Thanks are extended in advance for
this courtesy.

CAMERON PLANNING INDUSTRIAL SURVEY.

An industrial survey of Cameron's
trade territory with the view of as-

certaining the proper program for
the commercial club to undertake in
building up the city has been propos-
ed here.

At a meeting of the club held last
Friday an address was made by T.
S. Henderson, Jr., on invitation by
the club to outline a program of ex-
pansion for the city. It was voted to
launch this program and the first
thing will be the economic and in-
dustrial survey to ascertain if pro-
posed industries will pay in Cameron
and if after proof is found the club
will then undertake a program of
building.

Included in the survey is a sur-
vey of the agricultural lands and of
mineral deposits.

The move is regarded as the most
forward looking step in the history of
the county and the club has voted as
a unit to sustain the findings of the
committee of five appointed by Pres-
ident C. W. Lawrence to conduct the
survey in conjunction with engineers
and economists.

Among the projects mentioned is a
cotton mill. The club will investi-
gate the proposition and see if it will
pay in Cameron.

The club held this meeting as a
means of finding a place to work in
the Cameron territory. Having com-
pleted its work in other lines, the
principal one being road building, the
club is looking to the future indus-
trial development of the city.

A NEW ONE—TEACHING TYPEWRITING BY MUSIC.

The Tyler Commercial College of
Tyler, Texas in line with the pro-
gressive policy that has made it the
largest business college in America,
recently conducted some experi-
mental tests with music in their
typewriting classes, and found the
results so gratifying after thorough
and exhaustive trials that they have

adopted it as their regular method
of teaching.

It produces typists who write
easily along at a steady, regular
constant speed, striking all letters
exactly alike, and not slowing down
for difficult words because he has
learned to maintain a constant speed.
It is obvious that the typist who has
a regular, even touch will be the
fastest and the most accurate. And
the best known way to develop this
regular, even touch is to start the
student in with music, having him
write in time the music, which can
be fast or slow in accordance with
the ability of the class. Continued
practice with the phonograph fixes
the habit of regular, rhythmic writ-
ing, which means Speed and Ac-
curacy.

The Tyler Commercial College has
adopted this system of teaching
typewriting because they have found
it to be the best. This institution has
always employed only the most
modern and up-to-date methods in all

departments of the student's work.
They give the most Thorough, Com-
plete and Practical courses of Book-
keeping, Shorthand and Typewriting
Telegraphy, Cotton Classing, Busi-
ness Administration and Finance,
and Wireless Telegraphy and Tele-
phony that can be had, in Half the
Time and Half the Cost of similar
courses in other schools, and also
offer valuable courses of Training
by correspondence. Positions secur-
ed for graduates. Fill in coupon and

LINCOLN PILOT OF BIG SHRINE AUTO CARAVAN

CAPT. BENARD McMahan ENTHUSIASTIC OVER CAR THAT HAS TWICE CROSSED CONTINENT.

With a record of having twice crossed the continent and covering more than 60,000 miles, the Lincoln car of Capt. Bernard S. McMahan, Secretary-Treasurer and Manager of the National Shrine Touring Club, is now piloting the caravan which left Oakland, Calif., May 1 for Washington, D. C., to attend the national Shrine meetings scheduled for June 5, 6 and 7.

Following the Washington meeting, Capt. McMahan will pilot the autoists over a northern route on their return trip, the big white Lincoln blazing the way as pathfinder.

Selection of the Lincoln as the official pilot car is notable tribute to the sturdy and enduring character of this car and its masterly performance under all kinds of road conditions.

Capt. McMahan is enthusiastic over the Lincoln and declares it has the most wonderful mechanism he has ever handled.

Aside from its matchless mechanical functioning during the entire time he has driven it, the thing that impresses him most about his Lincoln is the extremely high tire mileage, a feature frequently commented upon by other Lincoln owners.

In speaking of the performance of the car, Capt. McMahan recently said on his last trip across the continent he consistently got thirteen miles to the gallon in open country.

The high quality and superior performance of the Lincoln are daily winning new and enthusiastic admirers who find in this car everything that the Lincoln division of the Ford Motor Company claims for it, that it presents the highest achievement in automobile mechanics and construction that modern methods can produce.

BIG TRUCK REDUCTION.

Daily production of Ford Cars and Trucks went over the 6,500 mark on Wednesday May 9, it is just announced through the Ford News.

The production on that day was 6,615, exceeding by 25 the last highest day, Friday May 4, when a record of 6,590 was established.

The twenty-eight assembly plants of the Ford Motor Company throughout the country operates on an eight-hour day basis, and the turning out of 6,615 completed Cars and Trucks in a day means that they were run off the assembly lines at the rate of one every four seconds.

To make this enormous output possible, the tremendous manufacturing facilities of the company, embracing the great Highland Park and River Rouge plant and other factory units are operating on a twenty-four hour day of three eight-hour working shifts employing more than 100,000 men.

Ford high quality standards are consistently maintained in every operation entering into the construction of these popular cars.

LEWELLEN IS GIVEN 7 YEARS IN PRISON

SENTENCE IS CUT 92 YEARS ON HIS SECOND TRIAL ON A MURDER CHARGE.

Georgetown, Texas, May 19.—John Lewellen of Bell county was found guilty of slaying John Zurovac and sentenced to seven years imprisonment by a jury in the district court here this morning. The verdict came after the jury had been out for more than 40 hours.

Zurovac was shot in his restaurant in Temple on Nov. 29, 1920. On April 9, 1920, Lewellen was tried in the district court of Bell county on an indictment for murder and was given a 99 year sentence. The case was reversed and remanded. Later the venue was changed on the court's own motion, over the protest of the defense.

The case went to trial in the Williamson county district court here

Monday and was given to the jury Thursday night. Lewellen was represented by DeWitt Bowmer and W. W. Hair of Temple and J. F. Taulbee of Georgetown.

NOTICE OF ELECTION

(School Tax Election)
THE STATE OF TEXAS
County of Milam.

Notice is hereby given that an Election will be held on the 26th day of May, 1923 at Yarrellton School House, in Common School District No. 55, of this county, as established by order of the County board of Trustees of this county, of date the 3rd day of May, 1920, which is recorded in Book 1 page 60, of the records of Common School Districts of Milam County, Texas to determine whether a majority of the legally qualified property tax paying voters of said District desire to increase the tax of not exceeding 50 cents on the \$100 valuation heretofore voted for the purpose of supplementing the State school fund apportioned to said district and to determine whether the Commissioners Court of this county shall be authorized to levy,

assess and collect annually a tax of and at the rate of not exceeding 75 cents on the \$100 valuation of taxable property in said district for said purpose.

C. P. Gandy has been appointed presiding officer for said election, and he shall select two judges and two clerks to assist him in holding the same, and he shall, within five days after said election had been held, make due return thereof to the Commissioners Court of this County as required by law for holding general elections.

All persons who are legally qualified voters of this State and of this county and who are resident property tax payers in said District shall be entitled to vote at said election.

Each voter at said election who desires to vote for such increase shall have written or printed on his ballot,

"For Increase of School Tax," and each voter desiring to vote against such increase shall have written or printed on his ballot "Against Increase of School Tax."

The polls at said election shall be opened at 8 o'clock a. m. and closed at 7 o'clock p. m. Said election was

ordered by the County Judge of this county by order made on the 30th day of April, 1923, and this notice is given in pursuance of this order.

The Santa Fe and the Car Supply for 1923

Everyone in Santa Fe territory is asking if we are going to have cars enough when the usual heavy business comes this year.

We hope to have them, but —

Our ability to furnish cars depends not only on our own efforts, but on the ability of all the roads in the United States to function properly. For three years the railroads have been struggling slowly forward. They are beginning to see daylight. Since January 1st, nearly 10% more cars of commercial freight have been handled than in the corresponding months of 1920, the record year. In the same months the car shortage has been reduced by one-half. These figures mean constructive effort by both shippers and carriers.

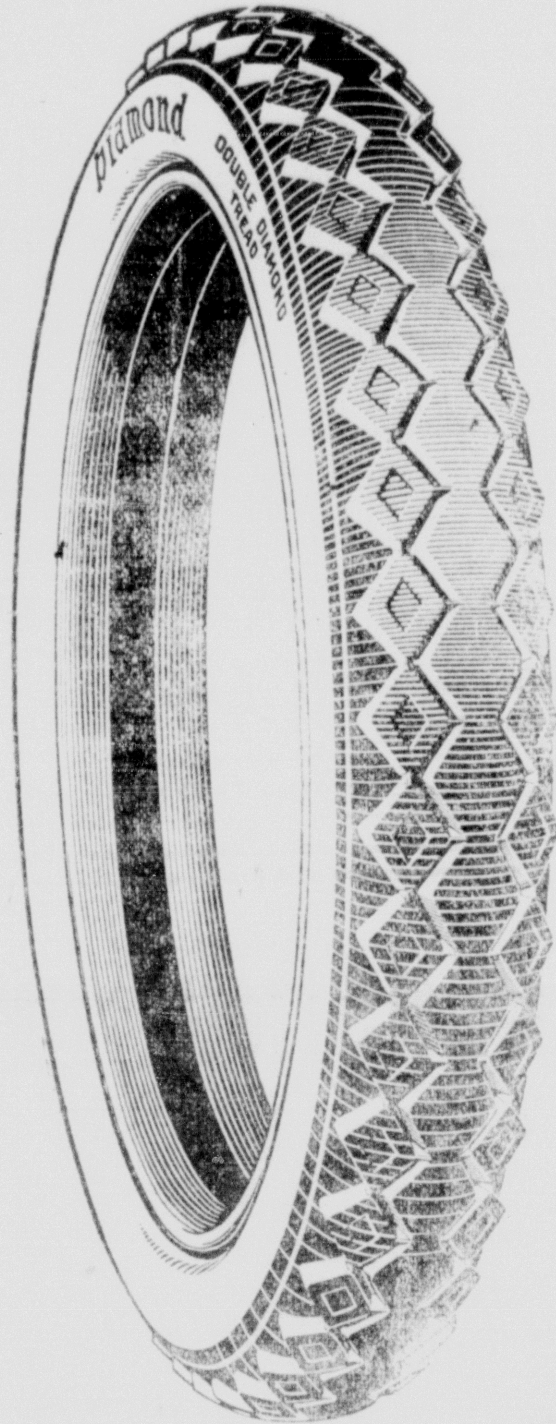

In this program the Santa Fe is —

Providing new engines and cars; enlarging its shops; building second track wherever congestion is liable; and enlarging its yards and other facilities. In addition it is making every effort to reduce its "bad order" cars and locomotives to less than the normal number, to get the greatest number of miles per day out of its cars, and to get as heavy loading per car as possible. If what we have set out to do can be accomplished all over the country, the question of the car supply is solved, but to reach that goal the shippers must help.

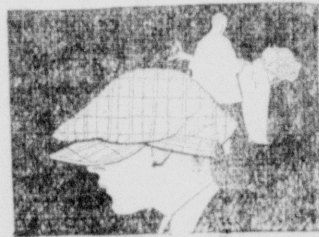

We therefore ask all Shippers to —

Load promptly and to capacity of the car whenever practicable;
Unload without delay;
Ship early in the season for road and building construction and for coal storage and like purposes;
Increase storage facilities;
Order only the number of cars that can be loaded daily; and
Avoid shipping under "to order bills of lading" and consignments as far as possible.

Citizenship Denied To One Laying Claim To War Exemptions

Because he claimed exemption from military service on the grounds of being an alien, L. L. Klappa was denied citizenship by Judge John Watson in the district court here this week.

This is the third application denied by Judge John Watson in recent months. "Those who are not willing to fight for America should not enjoy the privileges of citizenship," said Judge Watson in discussing the rejection of the application.

Twenty-one cases have been set resulting from indictments returned by the Grand Jury which adjourned here last week.

The following report of the proceedings is given by Penn Wolf, Clerk of the District Court:

Friday May 11th, 1923, the following were admitted to Citizenship by Judge John Watson, Julius Herman Albrecht, Robert Schneider, Otto August Schuetze, Andrew Pfarrdrescher, Fritz Ahlenbusch, Edo Henry Diekman.

The petition of Ladislav Lawrence Klappa was denied by the court for the reason that he claimed exemption from Military service during the war on account of alienage.

The following cases, which were found by the last Grand Jury, are set for trial as follows:

Lonnie Washington, 3 cases, May 31, 1923.

Monroe Burkhardt, 3 cases, May 31, 1923.

AGENT FOR NEGRO FARMERS REPORTS FINE CO-OPERATION

WORK DONE SHOWS WELL DIRECTED EFFORTS BY DEMONSTRATOR.

I am glad to state, since September 16th, 1922, I have worked among the negro farmers of Milam county as County Demonstration Agent and have reached most of the communities and especially the larger ones and our work has been met with a hearty approval. In most cases seed beds were properly prepared to insure quick and rapid growth of the plants by our demonstrators as well as the local farmers in each community and great care was taken in the selection of seed both in corn and cotton.

The communities as a whole have a good stand of corn in the midst of the many disadvantages of being dis-

turbed by the black-birds and the cold weather in March, causing some of the farmers to plant over two and three times. I am glad they accepted the advice to continue planting until a stand was assured as this is the only salvation of the southern farmer to stop the car-loads of corn from being shipped into our territory as well as hay and other feed stuff.

Texas is blessed with wonderful climatic conditions and it's soil is rich in fertility and Milam county is blessed with all of these so why not increase your already planted acreage of sorghum for hay to another acre in rows of feterita which has splendid nutrition for stock. At this time of the year is when most farmers slight their corn crops and go wild after their cotton thereby missing a crop of corn but in keeping with advices in our council meetings let's give our corn a thorough cultivation to insure full growth.

In a few places in the county hail affected the crops causing cotton to be planted over while corn where affected will recover. On account of the rains which caused cotton planting to be delayed for two or three weeks farmers were able to kill the first crop of weeds which will lessen the expenses of chopping. A great mistake is made by most of us in chopping up a stand of cotton after it has come up, by giving it too much space. Under boll-weevil conditions it's found better to space our cotton from eight, ten and twelve inches according to the nature of the soil. This will increase early maturity by re-

ducing the growth of the stalks thus giving a direct ray of sun to help us fight the boll-weevil. Sweet potato acreage has been increased, gardens enlarged and interest in poultry aroused and I am now giving considerable attention to hogs in every pen for meat. If we will keep this as our motto, plenty feed in the barn, a cow in the lot, a sow in the pen and a hen on the yard the cotton when harvested will pay our debts and then leave us a snug little sum for rainy days, this will make us happy and contented on the farm.

A. M. SMITH,
Local County Agent, Milam County.

BOOZE SMUGGLERS CAUGHT.

Alpine, Texas, May 19.—United States custom officials, T. C. Taylor, Cleve Hurst, J. Heard and Wilson Bourland, arrested two Mexicans Wednesday night about 12 miles south of Alpine and seized between

35 and 40 gallons of sotol, alcohol distilled from the plant sotol. The booze was being transported on three Mexican mules. The Mexicans were lodged in the Brewster county jail.

and later taken to Murfa and arraigned before United States Commissioner Hunto O. Metcalf.
